

Allah God Almighty says in the Quran, call upon me and I will answer your prayer:

Let us pray.

Almighty Allah Lord of Abraham, Moses, Jesus and Muhammad the Supreme ruler of the universe, we believe in thee and glorify thy name and seek thy blessing as we gather here as brothers and sisters to address issues facing our community.

Dear God, our peace and our strength, we pray for our nation and the world as we face new uncertainties around coronavirus. Grant wisdom, patience, and clarity to health care workers, especially as their work caring for others put them at great risk. Guide us as we consider how best to prepare and respond in our families, congregations, workplaces, and communities. Give us courage to face these days not with fear but with compassion, hope, concern, and acts of service, trusting that you abide with us always.

Oh God, as we observe Ramadan, the month of giving and serving let us all be imbedded with the spirit of healing and helping, and enable us all to offer our services so that humanity may benefit from our love and concern for all.

In thy Holy name we say thank you. Amen.
